In the event of the death of an eligible employee before retirement, the payment would be made to the employee's estate.

B. Personal Leave of Absence. The Board realizes that emergencies other than illness occasionally make it necessary for employees to be absent from school. The Board establishes the following list as maximum days employees may be absent for other acceptable reasons during a school year and is therefore not accumulative. Such leave may be granted at the discretion of the Superintendent upon advance written request.

1. An allowance of up to five (5) days leave shall be granted for death in the immediate family. Immediate family may be considered: father, mother, spouse, child, brother, sister, mother-in-law, father-in-law, son-in-law, daughter-in-law and maternal/paternal grandparents.

- a. Attendance at conferences for technical improvement.
- b. Representing the Haddon Heights School District at civic, public or educational meetings.

Absences not covered by any of the above provisions will cause salary reductions on a pro rated basis for each classification consisting of the number of work days for that year for that classification.

C. Extended Leaves of Absence. Occasionally, it is necessary for employees to be absent for long periods of time, generally as a result of emergencies or other circumstances beyond the control of the employee.

The following provisions are set to guide the manner in which certain emergencies are to be treated. For the purposes of this section, an eligible employee is defined as an individual who is not a probationary employee.

- 1. Pension and other employment rights of employees who shall enter active military service shall be protected.
- 2. Any leave of absence granted an employee hereunder may not be extended beyond the end of contract year in which the leave is obtained.

- b. An eligible employee's return date to employment may be extended for a reasonable amount of time at her request for reasons associated with pregnancy, birth or other related causes. If the requested extension or return date is for other than the beginning of the work year, the parties may adjust the date in consideration of both medical evidence and administrative feasibility.
- c. Except as provided above, no eligible employee shall be barred from returning to duty after the birth of her child solely on the grounds that there has not been a time lapse between the birth and her desired date of return. However, on or before February 1st of the school year prior to the year in which the employee desires to return from said maternity leave, the employee shall indicate, in writing, that she intends to return to work at the beginning of the new contract year. Failure to so notify the Board will be deemed as a waiver by the employee of her intention to return to work from maternity leave in that year.
- d. Time spent on maternity shall not count towards fulfillment of time requirements toward placement on the salary guide or for seniority or leave accrual of any sort.
- e. No employee shall be removed from her duties during pregnancy except for one of the following.

8. Leave for military reasons, up to ninety (90) days will be granted by the Board as ordered by action of the Adjutant General's Office to any regular employee who is a duly qualified member of the reserved components of the armed forces and who is called into temporary active duty, provided such obligation cannot be fulfilled on days when work is not scheduled. During the leave, employees shall receive their regular salary in addition to any salary they receive from the state or federal government.

9. Other leaves of absence, without pay or benefits, may be granted by the Board at its sole discretion which, in its opinion, are for good cause.
